

Illinois Association of Area Agencies on Aging

# 2024 I4A Factsheet (Preliminary)

(Source: Preliminary Numbers from the Preliminary Illinois Department on Aging 2024 OAA Title III and VII State Program Report)

The Illinois 13 Area Agencies on Aging served 478,113 adults aged 60 and over during FY 2024 or 16.5% of the senior population. Since the 1970s, each Area Agency on Aging has helped to build a network of aging services at the local level, incorporating the preferences of local participants.

Aging services assist older adults, their caregivers, grandparents raising grandchildren, people with disabilities, and veterans. The Area Agencies continued the initiative to reduce social isolation among older adults and their caregivers during 2024.

## 295 Provider Agencies

Area Agencies on Aging collaborate with community providers to ensure older adults and their caregivers have access to home and community-based services.

## 726,346 Service Units Provided for Information, Assistance, & Outreach

Information, assistance, and outreach helps older adults make informed decisions about program, benefits, and services to help them live independently at home for as long as possible.

## 13,010 Older Adults Received Options Counseling

Options Counseling advises older adults about cost-effective options for community-based, long-term services and supports.
