In Loving Memory of Ray Batman
July 16, 1944 ~ June 29, 2021

As we were finishing this July newsletter, we heard the news that our beloved Ray Batman had passed away on June 29. Ray had been the first employee of Dove and key to the process of working with the congregations founding this organization. Ray had retired from Dove in December of 2011.

As many of us now mourn our leader-boss-mentor-friend, we want to share of his passing and send our heartfelt prayers to Missy and his family. Board, staff, supporters and friends will come together to begin a process for memorializing Ray. But for now, we would like for you to consider sharing a remembrance of Ray; it may be a few lines or a few paragraphs. We will only be sharing stories in relationship with Dove. Some may be posted in an upcoming newsletter or on our blog.

Please send any submissions to dove@doveinc.org

Life Skills Employability:

The Life Skills/Employability Coordinator met with 16 individuals for the month of May. The following job linkages were made: Innovative Staff Solutions, Manpower, Caterpillar, Walmart, KFC, and a local construction company. The salary ranges for those positions were \$11/hr. to \$20/hr.

Watch for monthly updates on the Basket Drive!

Considering the humidity and heat (and thunderstorms) we've been having the last few days, it's almost hard to believe that we're only six months away from Christmas, chilly weather and snow! But that is the reality of it – time goes by all too fast these days.

The Baskets Team is preparing for the program, working on revamping our referrals, and promotional materials, discussing how to make things run more smoothly and easily for the clients we serve. If you're wanting to help, there are plenty of ways to get involved.

We'd be thrilled to start scheduling volunteers to help, beginning December 3, through the 17 (except Sundays). If you're a planner, we'd love to have you on board the planning side of things, too. We love innovative ideas and brainstorming!

You could always collect donations of new items like hats and gloves, or stocking stuffers. If you're crafty, you could knit hats and scarves or make new stockings, or even kid-friendly pillowcases. You could make blankets, donate wrapping paper and tape, and be in prayer for the program and its members and the clients we serve.

A lot of stores will be having back to school sales soon, which is a great time to stock up on things like crayons, colored pencils, markers, etc. for stocking stuffers.

Program Needs:

- Large black garbage bags
- Large Ziplock bags
- New cosmetic bags for teen girls
- Stockings and stocking stuffers
- Hats and gloves
- Wrapping paper and tape
- Disposable tablecloths
- Monetary donations

If you have ideas or want to help, please reach out to me and we can discuss opportunities for involvement. I'd love to chat with you! You can reach me at 217.428.6616 or by email at awilliams@doveinc.org. Thank you so much.

Angie Williams , Baskets Coordinator

Please reach out to your church, social groups, and friends and consider volunteering. It's a lot of work but also a lot of fun!

Senior Companion Program

Will you be a friend?

If you are 55 and better, on a fixed income and would like to bring a spark into someone's life while making a small stipend, then call Kathy today at 217.428.6616 to get started. The next training is starting soon.

New Partner, New Journey

We are excited to announce our first Senior Companion partnership with Faith in Action. At Faith in Action, they provide free services to homebound elderly and disabled citizens in our community; from transportation needs to companionship. This program is possible because of compassionate and caring volunteers. Our senior companions help with companionship (in person friendly visit or phone call) and other quality of life activities. We loved having Sarah Sanchez, Faith in Action Coordinator, educate staff and volunteers on this wonderful program and helping to get our new companions started in service.

Senior Companion Program

Kathy Walters, Senior Companion Coordinator, on final day of training the first three Senior Companions.

These volunteers have completed their training and started giving back to homebound seniors in their communities.

Welcome and Congratulations Annie, Bianco, and Mary. We are excited to have you join the Senior Companion Program.

RSVP Volunteer Opportunities!

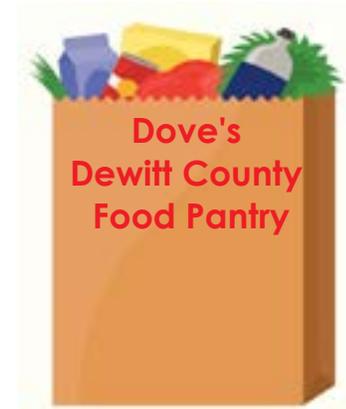

We are accepting new **Advisory Council** members. The new term starts this month. Are you a natural leader? We are looking for great leaders to help lead our AmeriCorps Senior Programs, Dove Inc.'s Retired and Senior Volunteer Program. Advisory Council members help us determine needed programming, gaps in services available in their communities, select how we participate in Days of Service, plus more. Having new people helps give us new perspectives and new ideas for events and more. Call Charlie at 217.428.6616 in Macon County, Kimberly at 217.935.2241 for DeWitt County.

Scovill Zoo needs you! Do you want to go down the line or give a lift to children and their families? We are looking for volunteers to drive the train and run the carousel on Saturdays & Sundays at Scovill Zoo. Some carousel and train shifts are available through the week as well. There are two dif-

ferent shifts available daily, 9:30 a.m. to 1:00 p.m. or 1:00 to 5:15 p.m. This is a great way to spend your day giving joy to children and watching their faces light up with pure excitement. Background check required. Call Charlie at 217.428.6616 to get started today.

Faith in Action has an urgent need for drivers. Volunteer drivers are needed to assist seniors in maintaining their independence, dignity, and quality of life. Transportation is crucial to the quality of life of older adults. Doctors' appointments, an errand or grocery shopping, or just a friendly face to escort them to a social event are ways to improve and maintain a senior's quality of life. Volunteers are needed to help local seniors stay healthy and active. A background check is required. Call Charlie at 217.428.6616 to learn how you can be the hope for your neighbor in need.

Dove's Dewitt County **Food Pantry** needs assistance picking up donated bread from local establishments in Clinton. This task takes less than ½ hour and serves many families in the community. For more information, please reach out to Kimberly at 217.935.2241.

Dove's Dewitt County **Food Pantry** also needs assistance unloading food from Midwest on a monthly basis. This task takes an hour or less. Many hands make light work. For more information, please reach out to Kimberly at 217.935.2241.

NEWS

from the Domestic Violence Program

The Domestic Violence Program has certainly been busy going through many changes. We have implemented several staff promotions given the additional responsibilities that have been added to their job descriptions. Currently we have 3 openings: Piatt County Coordinator, 2nd Shift Shelter Specialist and Domestic Violence Shelter Maintenance Specialist. (see doveinc.org for job descriptions)

Request for shelter and orders of protection has significantly increased. The past 2 weeks the need for Orders of Protection has skyrocketed. A total of 18 Emergency Orders of Protection and 12 Plenary Orders were completed!

Teri Ducey, Program Director

The Family Violence Coordinating Council continues to move forward. The overall goal of this Council is to improve the criminal justice response to family violence in our community. Four committees are forming out of this full Council and are in the process of having their first meetings. These committees are:

Law Enforcement/Prosecution Lethality & Risk Assessment Committee

- Brings together professionals from law enforcement, State Attorney's Office, service providers etc. to address issues related to prosecution of perpetrators
- The intent of this team is to create annual goals and projects to achieve those goals. This year's project will include the creation and implementation of risk assessment tools geared toward identifying high risk perpetrators of family violence in our community

Rehabilitative Protected Service Committee

- Brings together professionals from State's Attorney Office, Public Defender's Office, Probation, private & government attorneys, services providers, etc. to address issues related to rehabilitation of perpetrators
- The intent of this team is to create annual goals to create successful methods of rehabilitating perpetrators of family violence in the community

Community Engagement and Training Safety Committee

- Implements grant required council training activities and promote awareness for family violence in the community
- Focuses on researching, developing, scheduling and presenting training for council members, first responders, and community outreach

Data Analysis Committee

- History has shown that childhood physical and sexual abuses were significantly associated with partner violence. Collection of reported family violence will help shed light on the prevalence, causes, and consequences of all types of family violence. Reliable statistics are essential in developing effective governmental responses and program service performance
- The intent of this team is to identify ways to improve data collection, reporting and sharing of data analysis with council members
- Collected statistics should include but not limited to: numbers of prosecutions, convictions, denials of prosecutions, orders for protection issued, and re-offense data
