Social Isolation: Since our Last Meeting

- 35 new RSI clients since our last meeting.
 - 18 were home delivered meal clients .
 - Devices distributed, set up and have received first tutorial.
- Now provide services to 152 RSI clients per month.
- 444 Units per month.

Home Delivered Meal Clients

- 18 of our new RSI clients receive home delivered meals through CRIS once a week.
- This is one of our most isolated and vulnerable populations.
- CRIS nutrition staff will be doing weekly wellness calls with their clients through the device.
- Administer UCLA loneliness scale tests through the device.

Recent Educational Modules

- The last three educational topics that we have covered are: 'Making a video call with Alexa', 'Setting up timers and alarms', and 'Setting up Routines.
- Each month, provide an individualized tutorial about an educational Module that has information on how to complete a certain task with Alexa. We also include other CRIS information and vaccine updates as well.
